**Planner's Report**

The Planner reviewed the status of the Safe Routes to School work with the PTO and highlighted the ongoing effort to prepare the Board for the 108 planning effort. The planner asked the board for guidance on what information was needed. The Board requested maps and tax data on various types of commercial uses.

The planner described the information brought forward from Newmarket about a long-standing project to realign New Road bridge to make commercial land in Newmarket more accessible from the south. The planner suggested the Board look more in depth next month and then possibly invite officials from Newmarket back to review and discuss the plan.

A motion was made and seconded to adjourn the meeting at 7:35pm. All were in favor and the motion carried.

The next regularly scheduled meeting will be Thursday March 17 21, 2011 at 7pm.

Respectfully submitted,  
Clay Mitchell
